 - 3. A driver talking or listening to a law enforcement agency, health care provider, fire department, or other emergency services agency, for emergency purposes;
 - 4. A person who is relaying information between transit or for-hire operator and the operator's dispatcher, in which the device is permanently affixed to the motor vehicle;

 - 6. A driver who uses an amateur radio and who holds a valid amateur radio operator license, or any other similar license related to such use, issued by the Federal Communications Commission.
- C. For the purposes of subsection (A), "hands-free" use shall mean listening or talking on a wireless communication device that has an internal feature or function, or is equipped with a temporary or permanent attachment or addition, that allows listening
